NOTICE OF PARTIAL PAYMENT

(current year taxes only)

Before you send in your partial payment, please be advised of the following regulations required by Florida law:

- The term "partial payment" means a payment that is less than the full amount of taxes due.
- A partial payment is not eligible for any applicable discount.
  - If multiple partial payments (from any months) total the full amount due for the current discount period, then the date of the final partial payment will determine both the "full payment" date and the discount period applied to the account.
- A partial payment will be distributed in equal proportion to all taxing districts and levying authorities applicable to that account.
- You may make as many partial payments as needed, for any amount; however, taxes must be paid in full by **March 31, 2027** or a Tax Certificate will be sold for the remaining, unpaid amount.
- No partial payments can be made after **March 31, 2027**.
